

Calling all the little “Cherubs” of NPC

Newtown Presbyterian Church will again offer a Cherub choir for ages 3 through Pre-Ktg on Sunday mornings from 10:10 – 10:40. This is a beginning singing experience (different from the classroom setting of Preschool Praise which is a parent/child music class that meets on Sunday afternoons). Our goal would be to sing about 3 times this year in church. (Last year we sang about once every other month.) If your little one likes to sing and you think that he/she would enjoy an activity like this please email or call LeAnn May Birky at 215-504-1366 or execmusicmom@comcast.net to register your child for fall. Our first rehearsal will be on September 27th.
